

RESEARCH EXPERIENCES FOR UNDERGRADUATES PROGRAM

Student Application

The application process for the CAHSI Research Experiences for Undergraduates (REU) program is now open. No previous research experience is required. Selected students will receive a stipend dependent on meeting the reporting requirements and progress toward the project goals.

Funding Eligibility

The eligibility requirements are as follows:

- Must be an undergraduate student who has completed coursework beyond Data Structures with a minimum GPA of 2.8 (students with a lower GPA can write a short paragraph describing extenuating circumstances)
- Must be a U.S. citizen or permanent resident
- Must be enrolled in a computing program at a CAHSI institution
- Must not be employed for more than 10 hours per week in any other position
- Preference will be given to students from groups underrepresented in computing (African Americans/Blacks, Hispanics/Latinx, Native Americans/ Alaskan Natives, females)

Expectations and Requirements

- Available for research work each week during the spring semester/quarter and/or fall semester/quarter
- Attend weekly meetings with your assigned faculty mentor
- Engage in professional development activities promoted by CAHSI and faculty mentor
- Make weekly entries into your CAHSI Local REU Research Journal
- Prepare a research poster for publication on CAHSI's website at the end of the REU

Required Application Materials

- Completed Application Form
- Professional Résumé
- [Personal Statement](#)
- [Research Statement](#)
